DAILY PUBLIC LEDGER—1893.

MAYSVILLE, KY., TUESDAY, NOVEMBER 20, 1906

ONE COPY—ONE CENT.

Subscribers who do not receive their papers regularly are respectfully requested to call up Telephone No. 33. Don't tell your troubles to the Editor on the street; besides, when he's at the office, it keeps him busy making fires, carrying ashes, and doing like chores, and he hasn't time to carry the papers.

Mr. George Creighbaum continues very ill at his room over Traxel's Confectionery store.

Marringo license was issued yesterday to Porter Wilson and Daisy Breckinridge, colored.

Drs. Reed and Pickett were called out Monday to Wedonia to see Dr. Jack Cook, who is very sick.

See my "Watch" bargains. You have never been able to buy as good watch for the price at which I am selling them. With every dollar's worth of goods, cash, we give a ticket on the elegant Diamond Ring.

P. J. MURPHY, the Jeweler.

William Gray, colored, the unnatural son who brutally struck his aged mother with a poker Saturday night while under the influence of liquor, was before Judge Whitaker yesterday and was fined and costed \$55, which is very light considering the grave offense committed.

Cecil Burden, the sixteen-year-old boy in jail on a charge of assault, was brought before Judge C. D. Newell yesterday and his trial fixed for some future day. He was permitted to go on his own recognizance until the time of his trial, his uncle, Mr. Curtis, agreeing to take him in charge and keep him out of any further trouble.

At Paris, J. Hal Woodford has filed suit against the L. and N. Railroad Company for \$3,000 damages alleged to have been sustained in the loss by death of two thoroughbreds. The petition alleges that the colts were shipped from Lexington to Covington August 1st, and were subjected to unwarranted delays in the Paris yards. While in transit the colts became overheated and died.

New Fall TAILORED SUITS

In Tasteful and Distinctive Designs. A splendid style exhibit awaits you at this store in a full line of Woollex Suits—embodying all the proper modes for Winter service.

Neat plaids and checks, with skirt pleated, back, front and sides. A new feature in the close-fitting, hip length coat, conforming to the figure perfectly.

Also a new Norfolk style with patch pockets, and straps arranged to give long lines. A model that will surely meet your ideas for street wear.

We haven't mentioned prices, but—you can find no fault with a price list that ranges from \$15 to \$40.

COATS

For hard service, and for the woman who wants something distinctly "smart," we advise those clever coats of heavy tweeds and suitings, in splendidly blended plaids and small bold checks.

These patterned fabrics need little trimming—a touch, perhaps, of braid or pipings or strappings, to accentuate a line or add

to the color effect, hence the modest price for such chic garments—\$10.

SOME STOCKINGS

To get at the real value of these stockings you ought to add about one-fourth as much to their present prices.

We are giving you the advantage of a most judicious purchase on our part just when winter hosiery supplies are needed.

Costs Less. Use Less.

These are two of the savings you make in baking with Chenoweth's Baking Powder. It costs less per pound and you get better results with a smaller quantity of it than of any other powder. The first saving (cost) is obtained because we make it ourselves and there's only one profit to pay, a small one at that. The second saving (less quantity) is due to the superior ingredients used in our powder and the fresh condition in which the powder reaches you. Try Chenoweth's Baking Powder next time and prove it.

What's a pound of flesh worth? Shylock never got the answer to the question, but Mrs. Elizabeth D. Davis of Washington City fixes the value. She has filed a slander suit against a neighbor who charged her, in a postal addressed to the authorities, with cruel treatment of her children. NOTED ATHLETE PRAISES Cooper's Medicine.

JACK GRAHAM.

Cooper's New Discovery invigorates every organ of the body. Cooper's Quick Relief strengthens the muscles, relieves the soreness and loosens stiffened joints.

This Letter Will Interest You.

The Cooper Medicine Co. Gentlemen: I consider Cooper's Quick Relief the greatest liniment in the world. I have used it ever since a trainer in Pittsburgh, Pa., told me about it.

I was lamed and ruined down with this remarkable preparation on both nights before my recent fights with Kid McCoy and Tommy Ryan.

It is the greatest rub-down I ever used. It supplies the muscles of the body, invigorating and strengthening them and takes every particle of soreness and lameness which comes from severe training.

Cooper's Quick Relief is one of the essentials of my training camp and I am glad to recommend it to any one afflicted with sore, stiffened, swollen or painful limbs, joints and muscles.

(Signed) JACK GRAHAM, Indianapolis, Ind.

Coopers's New Discovery and Cooper's Quick Relief are the medicines with which L. T. Cooper accomplished such wonderful results for the sick and afflicted in St. Louis, New Orleans, Pittsburgh and other cities.

The influence of these remarkable preparations over such complaints as rheumatism, sore kidneys, backache, lameness, etc., is remarkable.

Cooper's Quick Relief takes out the soreness and inflammation, stops pain instantly and opens the pores of the skin, aiding these and other organs to throw off their poisonous secretions. Large bottles for family use cost 50c. Cooper's New Discovery, the remedy for internal use, costs \$1 per bottle; six for \$5. Where we have no agent, send the price of the remedies you wish direct to the Cooper Medicine Co., Dayton, Ohio, and the medicine will be forwarded to you, charges prepaid. For sale by

Our Statements!

Have always been subject to public investigation. We claim
to handle the best Clothing, Furnishings, Hats, &c., that are
made at prices that are just—even lower than some ask for the
unreliable kind. We have always guaranteed each purchase.
We will refund the money to all who may ask it. All sales are
subject to home approval and comparison. We leave the de-
cision in the hands of the customer, his friends or his family.
To make a statement and then offer your own words as proof
shows an uncertainty. An honest merchant does not have to
proclaim his honesty from the housetops. We are a bit ches-
ty over our handsome quarters and our growth, which was not
consummated in dreams, and we think will be allowed by
those who are in favor of progress and not envious of their
neighbor's prosperity. The biggest and best assortment of
men's and boys' merchandise in the city is open to all. To
those who buy or to those who want to be posted please re-
member—THE BEST. Very respectfully,

J. Wesley Lee.

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt
What Has Been Twice Proved.

In gratitude for complete relief from aches
and pains of bad backs—from distressing kid-
ney ills—thousands have publicly recommended
Doan's Kidney Pills. Residents of Maysville,
who so testified years ago, now say their cures
were permanent. This testimony doubly
proves the worth of Doan's Kidney Pills to
Maysville kidney sufferers.

A. W. McClanahan, of A. W. & B. P. Mc-
Clanahan, grocers, at 121 Second street, Mays-
ville, Ky., says:

"I can endorse Doan's Kidney Pills more heart-
ily today than I did five years ago when I told the
Maysville people that this medicine had cured
me of severe kidney trouble and backache that
had bothered me more or less for twenty years
and seemed to be growing worse and worse all
the time. I repeat that I can more confidently
recommend Doan's Kidney Pills today than I
did in that testimonial because my cure has
been permanent and I have had no kidney
trouble for nearly five years. As proof that I
am a firm believer in Doan's Kidney Pills I will
be only too pleased to reiterate the above to
anyone who may inquire. I got the remedy
at J. Jas. Wood & Son's Drugstore.

For sale by all dealers. Price 50 cents a box,
